Alexandria, VA 22313-1450

**AMENDMENT / REPLY TO FINAL OFFICE ACTION**

This amendment is filed in response to the final Office action of April 18, 2006, and is timely filed with a one-month extension of time.

**Amendments to the Claims** are reflected in the listing of claims, which begins on page 2 of this paper.

**Remarks/Arguments** begin on page 5 of this paper.

**INTRODUCTORY COMMENTS**

Claims 153-171 are pending in the present application. Claims 134-142, 145, 147 and 150-152 have been canceled without prejudice. Claims 153-171 have been added merely to clarify the claimed invention and not for reasons related to patentability. Claims 134-142, 145, 147 and 150-152 stand rejected by the Examiner under 35 U.S.C. §102(e) as being anticipated by Weiss (US 6,165,071). Claim 150 stands rejected by the Examiner under 35 U.S.C. §103(a) as being unpatentable over Weiss. Applicants respectfully request reconsideration of the rejected claims.
